

TIVO
MINI VOX™

Use the power of your voice to control the ultimate entertainment experience on all your home's TVs.

Bring voice control and the next-generation 4K TiVo experience to any room in your house.

TiVo Mini VOX is the all-purpose 4K companion to your TiVo DVR! Delivering Tru Multi Room™ and voice control², the Mini VOX delivers you the same TiVo experience that you enjoy in your family room to every room, including access to streaming content from Netflix and other streaming services³. Plus, you'll enjoy all your favorite TiVo features including full TrickPlay™ functionality, SkipMode™, and QuickMode™⁴. Best of all, you can add Mini VOX to additional TVs in your home without any added monthly fees⁵.

¹ 4K ultra high-definition capability requires 4K ultra high-definition content and 4K ultra high-definition capable television. Some apps may have additional 4K Ultra HD requirements and/or limitations. 4K availability subject to your Netflix subscription plan, Internet service, device capabilities, and content availability. www.netflix.com/TermsOfUse

² Voice control functionality requires the TiVo Mini VOX to be paired with a TiVo BOLT series or TiVo Roamio series DVR running the latest TiVo software (version 21.7.1 or higher).

³ Broadband internet connection is required to access and receive streaming content. Availability of third-party content from streaming sources is subject to change and certain third-party fees may apply. For example, Netflix unlimited streaming membership is required (and sold separately) to access Netflix content. Amazon Prime membership may be required (and sold separately) to access certain Amazon Prime Video content. A Hulu subscription is required (and sold separately) to access Hulu content. Hulu is available only in the United States. For a current list of streaming content services available, visit www.tivo.com/mini.

⁴ SkipMode feature not available for all recorded shows.

⁵ Requires TiVo Mini VOX to be paired with a TiVo BOLT series or TiVo Roamio series DVR running the latest TiVo software (version 21.7.1 or higher).
